First Session - Fall Mini Gear-Up Skills Program

This developmental program is geared towards children who enjoy soccer and wish to improve their skill set. It is also for those who want to improve individual skills such as dribbling, ball control, shooting, etc. as well as developing some tactical field awareness and sense of team play. Each training session will assist in building your child's self esteem through stimulating and dynamic game play together with positive encouragement.

- 6 week program beginning Sept. 5, 2007 and ending on Oct. 13, 2007
- Program is offered every Wed. from 6-7pm and Sat. from 10-11am
- Participants are required to make one session per week but are encouraged to participate in both
- Cost \$125.00

Second Session - Fall Skills Training

This developmental program is geared towards children who enjoy soccer and wish to improve their skill set. It is also for those who want to improve individual skills such as dribbling, ball control, shooting etc. as well as develop some tactical field awareness and sense of team play. Each training sessions will assist in building your child's self esteem through stimulating and dynamic game play together with positive encouragement.

- 9 week program beginning Oct. 17, 2007 and ending on Dec. 15, 2007
- Program is offered every Tues. from 6-7pm and Sat. from 10-11am
- Participants are required to make one session per week but are encouraged to participate in both
- Cost \$175.00

PLEASE NOTE: Children participating in the Fall Skills Training Program will have the opportunity to participate on a JunglePlex U8 Indoor Soccer team. Cost of league play is NOT included in training price – team rosters are subject to coaches' discretion

(please see the reverse for Third Session details)

Third Session - Winter Skills Training
